Coverage afforded to insured members under the Health Insurance Plans sponsored by the Ordre des CPA du Québec.

Your plan includes hospital and medical travel insurance for emergency expenses resulting from an accident or sudden illness, which occurs during the first 60 days of any trip outside of the province. Expenses are covered at 100%, without any deductible, up to a maximum of \$5,000,000 per insured, per trip.

For trips exceeding 60 days, you must return to your province of residence for a new 60-day period to begin (keep proof of your return) or contact a specialized insurer before departure in order to subscribe an individual top-up policy.

This plan also includes a trip cancellation and interruption benefit, subject to a maximum per insured, per trip, as established under the plan in force at the time of the event giving rise to the claim: \$5,000 for the Basic and the Intermediate Plans and \$7,500 for the Full Plan. Your plan must be in force both at the date you make the initial deposit or the final payment and on the date on which an insured risk prevents you from travelling.

In order to familiarize yourself with the insured risks and exclusions as well as restrictions specific to this coverage, please consult the conditions applicable to the travel insurance through the SSQ Customer Center.

Before departure, in case of cancellation or in the event of any medical emergency during your trip, you must contact CANASSISTANCE directly.
