

The Vigilis group also offers a unique service covering buy back options

Thanks to a multidisciplinary team of professionals and with more than 25 years experience, we offer a rigorous process covering this delicate transfer stage:

- Revising or drawing up your current plan;
- Analysing your insurance needs faced with your obligations;
- Establishing a subscription standard for all present and futur associates/shareholders;
- Writing an analysis report of current trends and our recommendations;
- Guarantying confidentiality.

Don't wait! Act now!
